Colin,

The board of Brookfield Association would like to let you know that we are very happy with the roofs you replaced back in 2016. The product and its warranty that you suggested performed extremely well last year when hurricane Ian came through. We were happy with your prompt response to replace the few ridge caps that blew off.

We wanted you to know that when asked who we used to put our roof on, we let them know that we chose to go with Dynamic Roofing and were very happy with your product, price and service.

Sincerely,

Brookfield Association Board
